Transparent Strip Curtains

Description:

Transparent strip curtains, made from high-quality PVC, are designed for refrigerated trucks and trailers. Featuring a quick-release mechanism, they ensure easy installation with simple tools and screws. With a smooth, highly transparent surface and 50% overlap, they are compatible with roll-up, swing, and side doors, offering versatile solutions for various truck and trailer types.

Features:

- High-transparency PVC, 6" or 8" widths, 50% overlap
- Quick-release design for fast installation/removal
- Rated for -40 ° F, ideal for refrigeration
- Galvanized steel or stainless steel options
- Includes mounting brackets, rods, screws, and full kit

Advantages:

These strip curtains enhance sealing, maintaining temperature and blocking dust, ensuring a clean interior. Their durable PVC construction withstands harsh environments, offering long-lasting performance. Easy to install and compatible with multiple door types, they provide cost-effective insulation and flexibility for refrigerated transport needs.

Common Parameters

 Customer Satisfaction	 Quality Assurance	 Advanced Production Line	 Customization
